## "War Makes Us Poor!" MLK Day Parade in Las Vegas

"I am convinced that if we are to get on the right side of the world revolution, we as a nation must undergo a radical revolution of values. We must rapidly begin the shift from a 'thing-oriented' society to a 'person-oriented' society. When machines and computers, profit

motives and property rights are considered more important than people, the giant triplets of racism, materialism, and militarism are incapable of being conquered.”

Martin Luther King, Jr

About 20 friends of NDE came together to remember the legacy of Martin Luther King, Jr in Las Vegas. The evening before the annual parade in the streets of the city on January 20, they met at NDE "headquarters" on Bartlett Ave. for supper and fellowship. Staff member Nate gave us a presentation <https://youtu.be/qIP1cfDH-ng?feature=shared> about the dangers of nuclear weapons and the possibility of peace and Mark Byrd spoke to us about nuclear winter <https://www.youtube.com/watch?v=TLDIo0MV1B0>. Julia Occhiogrosso taught us about MLK's principles of non-violence.

A video of NDE's contribution to this year's MLK Day parade is posted at

## Global Day of Action to Close Bases

"The thousands of military bases, both foreign and domestic, around the world are a critical piece of the war machine that must be dismantled. Closing bases is a necessary step to shift the global security paradigm

towards a demilitarized approach that centers common security — no one is safe until all are safe."

NDE is joining with CODE PINK Las Vegas to vigil at Nellis Air Force Base from 2-5 PM on February 23. Contact Karen at [kb11680@gmail.com](mailto:kb11680@gmail.com) for more information.

Two days later, Brian from NDE will be joining Dutch and German activists at NATO "nuclear sharing" bases at Volkel and Büchel.
