

Walk with us as we transform fears into compassion and apathy into action.

2010 Annual Sacred Peace Walk  
Las Vegas to the Nevada Test Site  
March 29 to April 5

Sponsored by  
*Nevada Desert Experience.org*

A Communal Pilgrimage to  
America's Nuclear Sacrifice Zone

We walk in the footsteps of a long legacy of peace walkers and spiritual leaders to draw attention to the nuclear dangers that continue to threaten our sacred planet and the community of life. We come to heal this, the most bombed place on Earth.

The 63 mile journey is a walking meditation. It is also an opportunity for civil resistance calling for an end to development and testing of new weapons of mass destruction at the Nevada Test Site and Creech Air Force Base.

Most nights are spent camping with help from a Las Vegas support team. Other accommodations are also available. Part-time "pilgrims" welcome.

Schedule Includes (check website or call for updates and details):

- Orientation and Passover (Peace-over) Seder, Las Vegas 3/29
- Walk to Creech AFB, Indian Springs 3/30 to 4/1
- Ritual for Peace and Healing, Sekhmet Temple, Cactus Springs 4/1
- Good Friday "No More Victims" Stations of the Cross at Creech AFB 4/2
- Devotional Prayer Chanting with T.Thorn Coyle and Josh Levin 4/2
- Walk to Peace Camp, Nevada Test Site 4/3
- Western Shoshone Sunrise Ceremony 4/4
- Easter Mass and MLK Memorial at the gate to the Nevada Test Site 4/4
- Potential Weekday Civil Resistance at NTS or Creech 4/5

Please register to help us in our planning.

Suggested donation or fundraising goal is \$150 per person. Any contribution makes a difference. Sponsor a walker or collect pledges for walking!

Political background and logistical materials are online.
