Finally, organizing something like a week long peace walk takes lots of coordination and logistical support. It also takes money in advance and during the walk. NDE requests that you send at least a \$50 deposit now. The suggested donation of \$200 is our estimate of the expected cost per person. We don't turn people away for lack of funds. NDE is not a wealthy organization, but we are a 501c3 non-profit for tax purposes.

See our website for a pledge sheet you can use to get people to contribute in a walk-a-thon style way.

There is no deadline to register, but the earlier we know your plans, the easier it is to plan.
